<b>Shree Barfani Academy H.S. School</b>	Indore
Secondary Education	2016 - 2018

## PROJECTS

### Website

Date period

#### Project: Architectural Portfolio Website

- Led the development of a dynamic website to professionally showcase architectural projects and services, tailored to highlight unique design expertise.
- Took charge of planning and designing the website's structure and user interface, ensuring a seamless user experience.
- Utilized Figma and Canva for prototyping, refining visuals, and creating an engaging layout that balances aesthetics with functionality.

### User Interface

Date period

#### College Assignment

- Spearheaded a collaborative effort with a team of three students to develop a dynamic website aimed at facilitating access to government exams and scholarships for students.
- Played a significant role as project manager and lead designer, overseeing the website's conceptualization and initial design phases.
